

The image features a dark background with a complex geometric pattern of thin, light-colored lines radiating from the center. Overlaid on this are several concentric, slightly offset rectangular frames in a dark red color. The word "MAXPERIENCE" is centered within these frames. The "MAX" portion is in a bold, red, sans-serif font, while the "PERIENCE" portion is in a white, sans-serif font.

| The Leading A-list Asian Celebrity Agency since **2015**

Mission

We are dedicated to maximize the value of our celebrities, partners and brands.

Vision

The Pioneer of Asian Entertainment Culture.

Our Story

We are in the belief that entertainment is a gateway to culture since 2015.

We learnt that trust and reputation as the key value and bedrock of our business by overcoming hardships that came from diverse cultures and barriers in Asia.

Hence, we could proudly establish ourselves as the first and only celebrity agency in Asia that truly embraced the spirit and philosophy of super talent agencies in Hollywood.

Now, we are here to maximize your experience.

| Key Business Features

Transparent

We secure the most reliable business procedures to provide an accurate rationale for the decision-making of our clients.

Data Driven

We provide consultation for our clients based on bespoke data and keen insights gathered from the global business experiences.

On the Spot

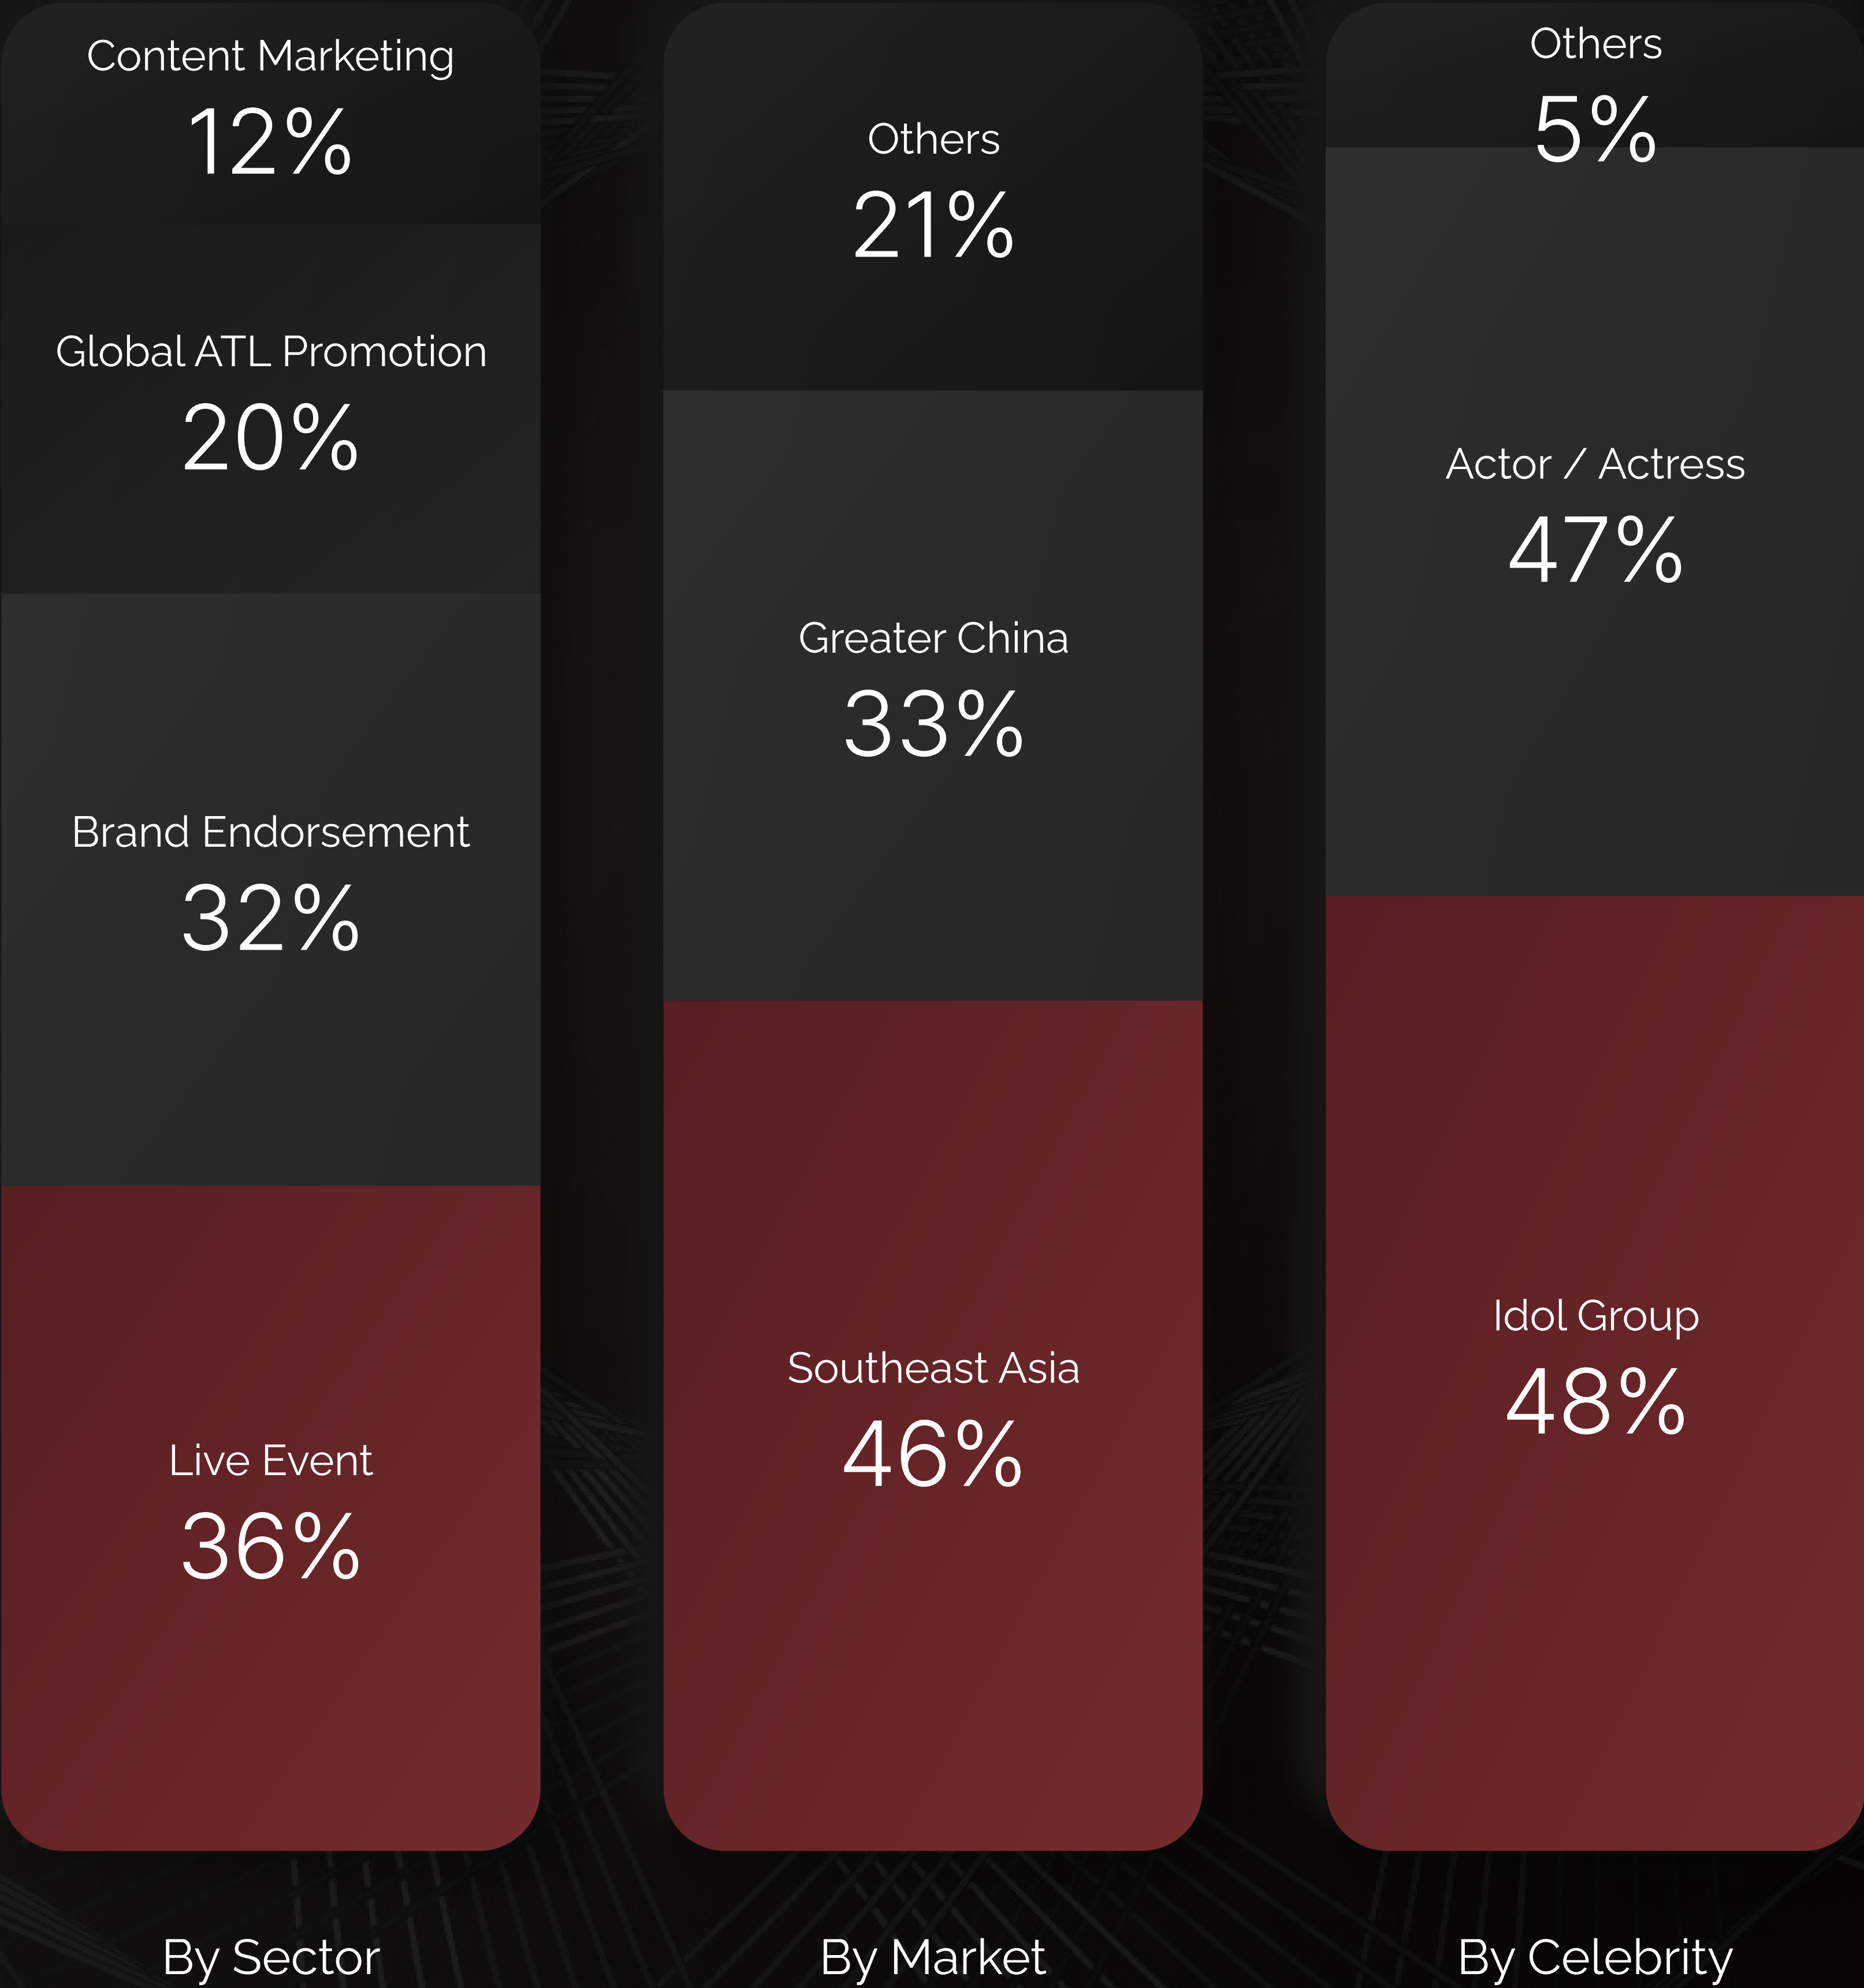

We support all coordination at the project site of our clients by dispatching our expert agent to guarantee the delivery of promised outcome.

Versatile

We arrange not only A-list Asian celebrities but also top-tier production and creative teams in Asia based on the needs of our clients.

Broadly Diversified Business Portfolio by Sector, Market and Celebrity

As of May 2023

Completed more than 100+ distinguished projects across the globe with A-list Asian Celebrities.
